

Thank you for Standing Up with Us - Transition is Occurring - Welcome Home to r4usa.org

James Timothy Turner is reclaiming the work he created via a download from God, condensing the 22 point plan with the original Guardians of the free Republic, presenting the plan to the Military and uniting the states once and for all to stand up the Republic.

Dynamic interview by Kelli Hillard with James Timothy Turner's aide-de-camp, Dean McGhan highlights originations in successive order of how America was saved. Timelines and details specify clarity of who James Timothy Turner is and the download God gave him. The call for unification of states to Re-populate the already Re-Inhabited Republic is mandated for those who want to follow God's original plan given to the military as a stepping stone to His Kingdom. *Hello to all California Republic Volunteers,
Jural Society member, Interim Placeholders* ♦

I want to thank all of you who have filled interim placeholder seats and have contributed in the standing up of the California Republic once again. As you know (or may not know), the California Republic was originally stood up on February 19, 2011.

It has been 14 years since a state has dotted every I and crossed every t to reclaim that which belongs to "We the People"! The California Republic completed the process with the certification of a lawful election on February 6, 2026, making us the very first state to do so.

Congratulations to each and every one of you~!

Host: THE SOVEREIGN SOUL Show interviews 3 Insiders who talk about how We the People ARE the Republic - from the bottom up and share historical perspective of the mighty work of James Timothy Turner and how God downloaded His plan to Save America. Thank you to Rahn Anthoni for putting this short clip together. In 2008, James Timothy Turner was given a download from God for a plan to save the Republic. This plan was submitted to the military at their request and is still being seen today as Trump and his team "drain the swamp". Rahn captures the essence of this mighty work for, by and of We the People as patriots stand up and take back what is and was rightfully and constitutionally theirs~!
