**God's Plan** for Restoring OUR

***Republic for the united States of America***

## ***One nation under God***

James Timothy Turner (JTT) is *first in line, first in time* to claim that ***we are the Republic for the united States of America and have lawful standing to make that claim.***

There are many movements, groups, associations and charters that make all sorts of claims. *We are not associated with any of them.*

***We simply are the Republic for the united States of America, the de'Jure government in waiting, that has lawfully documented proof to back that claim.***

There are no other groups that can establish that fact.

We invite any and all people who recognize ***the original plan that God downloaded to JTT*** (and that ***became the military plan***) to join us as we unite the states and stand up our Republic once and for all.

***( See our website at: [r4usa.org](http://r4usa.org) )***

## **About the Re-Inhabited Republic**

The Republic for the united States of America is the actual de jure government that our founding fathers gave us. Our true government was abandoned in 1871 when a corporation took over Washington D.C. and eventually every level of government in the country. We have not had a lawful government since then.

The Republic was re-inhabited lawfully in 2010, under the direction of James Timothy Turner.

### **Distinguishing the Original Authentic Re-inhabited Republic from the Imposters, Pretenders and “PAY-Triot” Charlatans**

- The Re-Inhabited Republic is a family and the stepping-stone to God’s Kingdom
- The Re-Inhabited Republic is based on the grassroots self-governance of the states, not territories, because the Northwest Ordinance /1 Stat 50 Congressional Codification is unlawful and unconstitutional
- “We the People” ARE The Republic

### **The Republic for the united States of America IS NOT:**

- A sovereign-anarchist movement
- An unlawful, anarchist militia movement
- A nation-state movement
- A corporation, 501(c)(3), 508, private membership association or commercial entity, according to its organizers
- Associated with any group that promotes violence
- Affiliated with political parties, political action committees or non-governmental organizations, according to its stated position

## **The Republic for the united states of America IS:**

- The only lawful provisional (interim) government guaranteed to us by the original Constitution for the united States of America
- Peacefully, honorably and lawfully repopulating the original de jure Republic guaranteed by the Constitution that was vacated in 1871 by unconstitutional acts of Congress
- An interim government that has been in operation since 2011 with the objective of bringing all states into compliance with the Constitution and being recognized as the lawful civil authority by the military
- A peaceful, honorable and lawful government founded upon Common Law rather than violence, coercion, power or financial manipulation
- A government supported by We the People of the original Constitutional Republic as our Commander-in-Chief directs the military plan to restore our Republic and return it to the people
- The bridge and stepping-stone to God's Kingdom through townships and communities

## **The Re-Inhabited Republic (r4usa.org) has NO affiliation with the following organizations:**

“RepublicfortheunitedStatesofAmerica.org” or “therepublicforusa.org” represented by James Geiger, Kelby Smith and Sandy Miarecki, Republik, Republik of Kalifornia, AnnaVonReich.com, David Lester Straight Sovereign Movement, Republic of Texas, Robert Craft LL.B, WeThePeoples-Republic.org represented by Stacy Pierce, or any anarchist group, hate group, subversive group or individual who promotes attacking, threatening or harassing any office or person in the U.S, Government. We do not request or collect any monies from our members. We simply want to see our great nation peacefully restored.

Whether you are a new or a long-time follower of our founder Tim Turner, we are honored you chose to be here...**WELCOME HOME!**

***This newsletter of August 2026***

is about ***taking back our country,***  
**GOD's' WAY** via the Military Plan

The ***Restore America Plan*** (***see a copy under 'Resources' on the website***) that God gave Tim, saved America by restoring our Constitutional Republic. This download from God, came after Tim fasted and prayed for 3 days (subsequently approved by our Military), stopped the UN from taking over the US on April 1, 2010. The plan recognizes our sovereignty as a people and the need to take back our original Republic form of government that was **of** the people, **by** the people, and **for** the people.

As we have come to learn from Tim, the people supporting him and following his lead are expected to treat each other as family. To further set the tone for how we all get behind Tim, let me share with you a **recent quote from his writing:**

*"I am going to do as the Father directs me. I will never change from His way of doing things.*

*I am still following the plan as God directs. **We will build this republic based on love, forgiveness, and respect for others.** No other group is doing that. Those that hear the spirit will respond and those that don't will not.*

*Please don't listen to all the negative nonsense. It will cause you to be upset and angry. **Those who are sowing doubt, confusion, fear and have a negative message are not of God.** Our Father uplifts, gives peace and joy. He teaches us to love and forgive. Many will respond to that message. Do not fear, our Father is in control, and His Republic will be established."*

## **The Mission:**

***Re-populating the Re-Inhabited Republic.***

## **Roles and Responsibilities:**

As with any endeavor of significance and breath, there needs some organization. While **our focus is in building self-governance from the bottom up**, we need all sorts of people and talents to help us along the way. From those that inspire to those that help with the nuts and bolts.

Here are some of the people working on your behalf:

Tim Turner - founder, visionary, educator, key military contact, (here to fulfill his commission, complete the assignment God gave him, and to get us all across the finish line)

Dean McGhan, Aide de Camp to Tim Turner, and Debi Foli, Chief Operating Officer to JTT and interim Governor elect California state Republic – both assisting Tim in overall planning, organizing and implementing strategies, goals and objectives

Mike Schnauffer - newsletter editor and publisher / maintains Message Board on the website

Roy Blankenship, Steve Davis and Karl Meyers – contributors to the design, development and maintenance of our r4usa.org website and interactive county map

Marcia Paetau, Philp Vega and JT Emery – regional ambassadors serving the Western states, Central states and eastern states, respectively providing support for the states to seat and settle their counties all the way to Re-Inhabitation of their state

# **Redeemed**

(Authored and submitted by Mike Schnauffer, Mo. Republic)

In a recent discovery of original documents for the Republic for the united States of America (you can see these documents under 'Resources' on the 4rusa website), it was found that Tim had been able to convene a Convention of States (a majority of 38 states is required) based on those states having seated, at minimum, these 5 state officials, namely:

- One records keeper
- One executive branch official
- One judicial branch official
- Two legislative branch officials including one Senator and one Representative

As such, it was determined by Tim, Dean and Debi, that 'if it was good enough then, it is good enough now', and therefore, we would establish that **once we have 38 states that have seated these 5 state seats, then a Convention of States will be called and instituted.**

This step in the process of Re-Inhabiting the Republic is being referred to as '**Redeemed**'. Please watch and listen to the podcast posted on the website in the 'Vault', entitled:

**“Redeeming” Your State Explained, and  
How to Get Started With the Form”**

## **Re-Inhabited**

(Authored and submitted by Mike Schnauffer, Missouri Republic)

### **The number of counties needed for a state to be deemed Re-Inhabited:**

Pursuant to a clarification issued on August 2, 2026 by Tim Turner, as regards the number of counties that each state is required to seat and settle for the state to be deemed Re-Inhabited, please make note as follows:

***“You can choose the number of counties that existed when the state constitution was ratified or when the state joined the union. It is your choice but must be documented to show lawful precedent.”***

For those readers wondering if this is significant, we found in Missouri that the state constitution was ratified a year before joining the union. This meant a difference of 11 counties between the two dates.

## **Fear or Faith**

(Authored and submitted by Mike Schnauffer, Mo. Republic)

As with many of life's journeys we face uncertainties that cause us to be anxious and can even instill a fear of the unknown.

The re-awakening journey that we all have been on has been no different. If you're like me, I've had my share of being anxious for things to happen. I've had doubts about some people, predictions, and the interpretations of what may have been behind various events that have taken place.

And certainly, within the numerous different plans devised by various groups that many of us had followed in the past, all trying to restore our Constitutional Republic, we have experienced many ups and downs that have contributed to our confusion and uncertainty.

But we should never entertain FEAR. The enemy loves to create fear, as this helps to confuse people and get people arguing and fussing, when in truth we need to remember we are following God's Plan to restore America. And God's timing is perfect.

This is where faith comes in. God's Word defines faith...

**"Now faith is the substance of things hoped for, the evidence of things not seen" (Heb. 11:1)**

Are we on the right path? Will the Military take over the re-inhabited process? How will we know what to do? etc., etc.

Are you in fear over these things or have you placed your trust in God?

Let God direct your steps and just follow Him, for He tells us...

**"I am the way, the truth, and the Life." (John 14:6)**

## **APPENDIX**

In this section, on the following pages, we provide educational writings and past articles that our readers, particularly new members, may find helpful for understanding what the Republic for the united States of America stands for and is all about.

Items may be added from time to time, so please check this section on a regular basis.

# **A Strong Foundation**

(Authored and submitted by Mike Schnauffer, Mo. Republic)

Our founding fathers knew that in establishing a free and prosperous nation that it must be built on a strong foundation. I submit to you that there are two perspectives to bear in mind as you reflect on what constituted a strong foundation in creating these, the United States of America.

First and foremost, any new nation that aspires to bear a moral and religious founding needs the God of creation, His son Jesus the Savior of all mankind, and His Holy Spirit, at the helm. You see, while it was **God** who **chose the Jewish people** in creating their new nation, **it was the Pilgrims** who came over on the Mayflower **who chose God** in creating a new Christian nation. That is, our Forefathers made an ever-lasting **covenant with God in founding America**. This formed the basis on which 'we the people' were declared a free and sovereign people, who placed their trust in God. We **MUST** return to putting our trust in God.

Secondly, our founding fathers established a Republican form of government **whereby the power and authority is at all times and in all ways in the hands of We the People**. In the design of this government the Founders created 3 critical elements of self-government that We the People were required to execute.

- Assemblies (or, Committees of Safety, Jural Societies, or Jural Assemblies)
  - Equity / Common Law, and
  - Grand Juries and Militias

Unfortunately, We the People stopped doing the work of self-governance and allowed the professional politicians and special interests to take charge. We **MUST** step up and re-claim our unalienable rights to self-government, that come from God.

## **Background**

(Authored and submitted by Mike Schnauffer, Mo. Republic)

The Republic for the united States of America is the actual true and lawful government that our founding fathers gave us. But in 1871 it was vacated when a corporation took over Washington D.C. and eventually every level of government in our country. In 2010, under the direction of our beloved and respected founding patriot Tim Turner, the Republic was re-inhabited.

Today, people around the country are busy re-populating the seats of the Re-inhabited Republic in every county of every state, in preparation for the dissolution of the corporation and, as President Trump has promised, a return of our country to the people.

To our members across the country, we ask that you **encourage your family members and friends to be a part of this momentous period in our nation** and join We the People by visiting our website at:

**([r4usa.org](http://r4usa.org))**

Our founding fathers created a republican form of government i.e. a Republic, built on the premise that we the people were the government and thus we the people would decide on the direction of the country and the policies that govern our actions, all consistent with our Declaration of Independence, Bill of Rights and Constitution. In other words, not a top-down government but one driven from the bottom up!!!

As well, our founding fathers looked to God our creator for divine direction and wisdom through regular corporate prayer, while putting their faith and trust in God Almighty.

***“Our Constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other.”***

By John Adams, a Founding Father and 2<sup>nd</sup> USA President

# **Kicking Things Off**

(Authored and submitted by Mike Schnaufer, Mo. Republic)

Do you know how close we were to losing our country? It may surprise you!

But the Lord did not allow that to happen. God put a call on a man's heart and being the obedient man of God that he is, Tim Turner followed God's lead.

If you want to learn more about these divine interventions, you should watch the July 8, 2026 Restore America Roundtable with Dean McGhan, Aide De Camp to JTT as well as the California Republic delegate team. This Roundtable reviews the origins of the plan to restore the Republic starting back to the military request for a plan in 2008, to the steps that founder Tim Turner took to successfully restore the Republic. Conversation discusses what the actual plan was that was requested and delivered to the military and what is needed today to complete the Re-Inhabitation of our Constitutional Republic. The discussion provides an excellent recap why we are current activity to re-populate the seats of state governments with interim office holders. You can find the video at:

<https://rumble.com/v7cgxx6-restore-america-roundtable-7-8-26.html>

---

Subsequently, on March 20, 2026 people were invited to a Zoom call with Dean McGhan and Debi Foli, interim Governor Elect California state Republic, entitled ***Transition Training to Unify States under JTT's Download from Creator***. You can find the video at:

<https://rumble.com/v77nisw-transition-training-to-unify-states-under-jtts-download-from-creator-3-20-2.html>

Following are a few of the highlights from that call:

- Dean, on behalf of our founder Tim Turner and for whom the vast majority of We the People embrace as our true leader, emphasized that what Tim did and continues to represent, is all about the one and only original, authentic, Republic for the united States of America. **Tim retains all the original documents and is himself the originator of same.** As such, Tim is calling We the People, in whatever group they are currently affiliated, to come together and unify. The time is now and our mission is to finish re-populating the Re-inhabited Republic and stand up a minimum of 34 states to call for a convention of states.
- Debi went over a De Jure Road Map and the 8 steps that they had used in restoring the California state Republic. She pointed out that **Tim always stressed that each state stay true to their state constitution and the U.S. Constitution.** She referenced the new website at [r4usa.org](http://r4usa.org) that among other things included a U.S. map where one could click on their state and see all the official seats to be filled as well as the ability to click on each county in that state and see the positions in the counties to be filled. Debi also went through the jot form where people could fill out their personal information and register to become a member of the Republic.
- Dean gave a very promising report on the actions being taken to exonerate Tim within the next 30 days. Also, there are several well-known and reputable truth podcasters that have been contacted with encouraging signs that they are willing to help in getting the truth out about the Republic. Finally, Dean announced a **plan for holding a 4<sup>th</sup> of July Celebration and Unification Gathering** at one of two sites currently being considered in the Missouri / Oklahoma area.

## **Salt and Light**

(Authored and submitted by Mike Schnauffer, Mo. Republic)

Bitterness, rage, anger, harsh words and slander. The enemy roams the earth looking to kill, steal and destroy, by sowing lies and deception that trigger these negative, ungodly reactions when we yield to him.

God gives everyone free choice, but he urges us to choose life.

***“Today I have given you the choice between life and death, between blessings and curses... Oh that you would choose life, so that you and your descendants might live! You can make this choice by loving the Lord your God, obeying him, and committing yourself firmly to him. This is the key to your life...” Duet. 30:19-20 (NLT)***

Did you catch that last phrase? ...**THIS (loving God, obeying Him and committing your life to Him) is the key to your life!**

And, when we commit to God we desire to **be more like Him.**

***“Put on your new nature and be renewed as you learn to know your Creator and become like him. Since God chose you to be the holy people he loves, you must clothe yourselves with tender-hearted mercy, kindness, humility, gentleness, and patience. Make allowances for each other’s faults and forgive anyone who offends you. Above all, clothe yourselves with love, which binds us all together in perfect harmony.” Col. 3:10,12,14 (NLT)***
